Honorable Richard Nixon

Dear Dick:

I want to thank you sincerely for your letter of the 19th of January and for the mementos which you gave to a few of your friends. I was honored to be counted among them. We have worked together since the days of the mission on the Marshall Plan, about 15 years ago. I have always respected and admired you - never more than in the dignity and courage you showed during the days following the counting of the votes.

I sincerely hope that when you come to Washington I shall have a chance to see Pat and you and keep warm the friendship and cooperation of past years.

Clover joins me in this message to Pat and you.

Sincerely,
